THEY HAD READ JUDE.

And They Were Not Slow in Telling the Pastor About It.

Rev. Newby, the new pastor of the Christian church, is likely to lose the confidence of his beloved flock.

During his sermon last night he stopped abruptly in his dissertation and asked:

"How many of you have read the Bible?"

Fifty hands went up.

"Now," said the pastor, "Now, how many of you have read the second chapter of Jude?"

Twenty-five hands went up.

A warm smile o'erspread the divine's face.

"That's also good, but when you go home read that chapter again and you will doubtless learn something to your interest."

Those twenty-five Jude readers declare they will never hear the preacher again. But, goodness, the preacher is not to blame.

DECORATION DAY.

Guthrie Banks and Business Houses Will Close Tomorrow.

The Leader is authorized to announce that the Bank of Indian Territory, the Guthrie National Bank and the business houses in general, will close Tuesday, May 30, Decoration Day.

Rev. Newby's Lecture.

Those who failed to gain admission to the Christian church last evening missed a treat in the lecture on the "Greatest Library in the World" delivered by Rev. Newby was one of the finest ever heard in Guthrie. The manner in which the reverend gentleman handled his subject showed him to be one of the best biblical scholars in the pulpit. Rev. Newby has an interesting way of illustrating his sermons and his style of delivery is faultless. He has already made a hit with Guthrie church-going people.

How is Perry Jealous.

Talk about hero worship, Guthrie papers have a very bad attack of it. Col. Nathaniel McKay, "of Washington and Guthrie," is just now receiving more flattering press notices from the Guthrie press than all the combined heroes, past or present. When a man from Washington honors the capital city with his presence he is invariably lauded to the skies. They will jolly him to a frazzle in order to get him to leave some of his alleged cash in the darktown.—Perry Enterprise Times.
